SCAVMA Pet Foods Store Pet Outreach Program

SCAVMA Pet Foods is committed to partnering with several pet outreach programs in Northern Colorado to support under-privileged pets.

**And we want you to get involved too!**
When you order your pet’s food online, would you consider ordering a bag or case of food for a pet in need? We encourage you to consider donating quality Hill’s nutrition to a family that has perhaps fallen on hard times but still wants to care for their furry family members!

If you would like to participate, you can do so at any time by buying online! There are many local animal outreach and feeding programs in Northern Colorado and they are in need of:
- ✓ Dry kibble for dogs and cats
- ✓ Canned or wet foods for dogs and cats (especially if it has a pop-tab top!)

All kinds of food, in all shapes and sizes, large or small, will be accepted and greatly appreciated! **When you come to pick up your pet food order, simply let us know that you would like to donate a particular food item and we will do the rest!**

Thank you to all our customers and we look forward to partnering with several pet supporting organizations in Northern Colorado.

As always, if you have questions or concerns, please let us know at csu.spf@gmail.com or csu.hills.rep@gmail.com or 970-297-4407.
