

Frontiers in Biomedical Sciences Seminar

Dr. William N. Zagotta, Ph.D.

<http://depts.washington.edu/>

Professor, Department of
Physiology and Biophysics,
University of Washington School of
Medicine, Seattle, Washington

Tuesday, November 1, 2011
Seminar 4pm with reception
to follow

Room: Yates 104

“Molecular mechanisms of gating in cyclic nucleotide-regulated ion channels”

Sponsored by the Department of Biomedical Sciences, and
the Programs of Molecular, Cellular & Integrative
Neurosciences (MCIN), and Cell & Molecular Biology (CMB)
Colorado State University
