

Open Pool
Teaching Aide positions
Department of Biomedical Sciences
Colorado State University
Fort Collins, CO

Several Teaching Aide positions are available in the Professional Veterinary Medical program at Colorado State University which will support the program's Foundations in Clinical Practices course.

A bachelor's degree in a biomedical science area OR the substitution of an Associate's degree in Veterinary Technology (or its equivalent) with five to ten years of veterinary clinical experience OR the substitution of at least ten years of veterinary technician on-the-job training in a certified clinic is required. The successful applicants must have at least one semester of experience teaching as a clinical educator in veterinary medicine and demonstrate skill in physical exam techniques regarding small animals. Veterinary technicians with at least five to ten years of experience working in high quality veterinary practices (such as AAHA certified practices) that have demonstrated ability as good communicators and clinical instructors will be given preference.

The individuals will be required to assist in the instruction and evaluation of veterinary students in the performance of physical, ophthalmologic, dermatologic, cardiologic, orthopedic and neurologic exams of small animals. They must help to evaluate these student exams in a clinical setting. They are expected to implement the guidelines set in the student task booklet and the student syllabus.

All positions are temporary and are not benefit eligible. Positions are for one semester with the potential of continuing the following semester. Hours worked are approximately 2-6 hours per week depending on the employee's schedule as well as the need for clinical educators for the courses for that semester. The course runs approximately 8-9 weeks per semester and there is a 2-3 hour orientation at the beginning of each semester as well as a one hour introduction class period that aides are required to attend. Hours preparing outside of the class environment will be paid. Hourly wage for these positions is \$15/hour and no benefits.

To apply send cover letter detailing veterinary experience, resume and name and contact information of three references to cvmbms-bms_teaching_pool@mail.colostate.edu

Application Deadline: 1-1-2013. NOTE: This pool will expire in one year (1-1-2013) and individuals will need to reapply to be considered beyond that date.
