

Frequently Asked Questions About the Career Fair For CSU Alumni

How do I participate in the Career Fair?

- As an employer you may host a booth during the fair hours to advertise full time or summer positions for our current PVM students and alumni. You may also stay over on Friday to interview seniors/alumni at the Veterinary Medical Center. Full details and the registration form are under the “employer link” for the fair. Early registration is encouraged for maximum publicity.
- You may also attend the Career Fair as a job seeker. You will be asked to sign in at the registration table as you enter the fair area. Dress for this event is “business casual”. Bring copies of your resume and a folder/bag to collect materials and business cards.

Will I be allowed to sign up for interviews on the Friday following the fair?

Interviews will be held from 8 a.m. until 8 p.m. at the Veterinary Medical Center the day following the fair. You may contact Ruth White prior to the fair to reserve a space (include your name, year of graduation, requested interviewer and time request to Ruth.White@colostate.edu, (970) 491-3919) or sign up at the interviewer’s booth the evening of the fair. The schedule of who is interviewing and their times are on the Career Fair website under “who’s coming” and in the interview area. This will be continually updated as employers register.
