<p>National Veterinary Associates, Inc. Multiple locations</p>	<p>www.nvaonline.com</p>	<p>NVA, the company that you've most likely never heard of is actually the 4th largest employer of veterinarians in the United States. We are relatively unheard of because we operate our small animal hospitals "behind the scenes". We don't dictate the practice of medicine to our doctors, we don't have medical protocols of any kind, we also don't have drug formularies that must be adhered to or suppliers that must be used. These decisions are all made at the hospital level by the local Managing Veterinarian. What NVA does do is help the hospital with all of the mundane managerial, operational and financial day-to-day activities which allows our doctors to focus on what they do best-being the best</p>	<p>Full time Summer</p>	<p>Yes 8:00-8:00 30 minute</p> <p>Note: Also interviewing for externships from 4:00-8:00</p>
