

Colorado Dairy News Reader Survey

The Colorado Dairy News has been published for ten years. Periodically, we ask you what we can do better to serve your needs. Please answer the questions below and send this survey back to Ragan Adams, The Editor (address on the back) or feel free to email (radams@colostate.edu) or call (970-217-2051) with your concerns and comments.

1. When you receive your Dairy News do you: (circle one)

- a. Read it thoroughly;
- b. Glance at it quickly; or
- c. Throw it away.

2. Do you rely on the price list or calendar? (Circle one or both)

3. Would you prefer to have the newsletter sent electronically or in hard copy by mail? (Circle one)

Yes

No

4. What other issues would you like covered? (List)

5. What was your favorite/helpful article in the last 2 years?

6. Do you refer to the website for information from past issues? (Circle one)

Yes

No

7. The insert articles are designed to file. Are these helpful? (Circle one)

Yes

No

8. If the ILM team started continuing education seminars, what topics would you like covered? (List)
