

CVMBS Lecture Hall Support Model for AZ W118 and Path 101

¹ Typically it is the projector. To verify, if you can see the computer on the podium monitor but not projected on the pull down wall screen, it is the projector, not the computer. Please note: On rare occasions a power outage will mess up the podium system and Classroom Support needs to be called at 491-5466.

² CRG = Computer Resources Group, computer support for CVMBS
