

DVM COURSE REGISTRATION

Spring 2012 – Class of 2013

Colorado State University

COLLEGE OF VETERINARY MEDICINE
AND BIOMEDICAL SCIENCES

REQUIRED COURSES

CRN	Course	Section	Credits
14530	VM 712 Veterinary Practice Management & Professional Development	001	4
14533	VM 730 Applied Animal Behavior	001	2
14567	VM 786A Junior Practicum	001	Students <u>MUST</u> <u>select 6 credits</u>
17333	VM 795 Capstone III	001	Students <u>MUST</u> <u>select 2 credits</u>

Each student must then complete **Registration within a designated Track** by registering for Track “Selectives” using the following instructions:

- **A Large Animal Tracker must register for Track Selectives VM 757 and VM 763** (CRN numbers are shown in the Track Selectives box below). LA Trackers may then register for any of the other Track Selectives and/or for VM 731 as *elective* additions to their schedules, but those credits will not go toward meeting the Selective Credit requirements of the Large Animal Track.
- **A Small Animal Tracker must register for Track Selectives VM 773 and VM 774** (CRN numbers are shown in the Track Selectives box below). SA Trackers may then register for any of the other Track Selectives and/or for VM 731 as *elective* additions to their schedules, but those credits will not go toward meeting the Selective Credit requirements of the Small Animal Track.
- **A General Animal Tracker must register for a minimum of 7 credits of Track Selectives, any combination is acceptable** (CRN numbers are shown in the Track Selectives box below). GA Trackers may then register for more Track Selectives (in addition to the necessary minimum of 7 credits) and/or for VM 731 as *elective* additions to their schedules, but VM 731 credits will not go toward meeting the Selective Credit requirements of the General Animal Track.
