

ANOTHER *BLOODY* NEWSLETTER!

June 2010

Hello again! This edition of our Newsletter will be dedicated to our team. We have many significant changes to announce. After 30 years of being a wonderful worker and friend, Deb Herasimtschuk retired in April. She is missed, but she'll be back part time! We are also sad to have Chantal Simoneau move away to Idaho. We'll miss her great attitude.

Henrietta

We also welcome two new members to our team. Henrietta Gately, and Arian Sim. They both are working in the sample reception area. Henrietta works from 8 am to 2 pm, and Arian from 11 am to 5 pm.
