

SCAVMA Pet Foods Store Map

Please do **not** cut through the Equine Orthopedic Center to reach the store, this quickly becomes a safety hazard to our fellow students/staff walking horses.

From the front entrance of the VTH:

Take Gillette Drive (the road curving off to the left from the entrance). Follow this road around the faculty/staff parking lots along the west side of the VTH. Turn right at Cross Rd, you will see a sign for SCAVMA Pet Foods. Take the dirt road as it curves right around the storage buildings and we are located on the right hand side just past the storage buildings.

From Main Campus:

Take Center Ave across Prospect. Turn left at Phemister Rd. Turn right at Gillette. Turn left at Cross Rd, you will see a sign for SCAVMA Pet Foods. Take the dirt road as it curves right around the storage buildings and we are located on the right hand side just past the storage buildings.
