

Kermit the Frog Department Head Professor

Phone: 970-491-XXXX

Fax: 970-491-XXXX

Email: First.Last@Colostate.edu

Office: Room, Building

Lab: Room, Building

Degrees:

B.S., Some University

M.S., Some other University

Ph.D., The Best University

Certifications:

Diplomate, American College of Puppets

Teaching:

Graduate Courses

SST501 – How to create realistic hand puppets

SST686 – Producing major films from development to production

Undergraduate Courses

SST101 – How to be a good puppeteer

SST250 – Learn to throw your voice effectively

SST400 – Hand cramps; what to do about them

Research Interests:

The primary focus of my research is how to bring education and entertainment together for children under 7 years of age.

Other research interests include focus groups on what demographics make our audience and how should our program be tailored in different regions.

Diagnostic:

Diagnostic work involves mostly determining what material a puppet is made from.

Clinical:

Clinical work primarily focuses on damage that occurs to puppets during show production and how to remedy those injuries.

Selected Publications:

[Pub Med](#) for Kermit T. Frog

Lastname II, Lastname II, **Frog KT**, Lastname II, Lastname II. Identification of something in the back of the stage that doesn't look right. J Immunol. 2008 May 1;180(9):5833-42.

Lastname II, Frog KT, Lastname II, Lastname II. The scientific study of something else. Mol Microbiol. 2006 Jun; 60(5):1152-63.
